PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science and Engineering student with hands-on experience in software development, strong foundation in C, Python, Html and Mysql Possesses strong communication and organizational skills, with the ability to quickly adapt to new environments and responsibilities. Passionate about contributing meaningfully to team goals, continuously learning to take on new challenges across diverse professional settings.

SKILLS

Programming Languages: C, Python,java,javascript, **Web Development:** HTML, CSS,react.js**Databases:** MYSQL **Tools:** Jupyter Notebook, VS code, Git
Soft Skills: Quick learner, Problem solving, Adaptability, Time management

EDUCATION

Bachelor of Engineering in Computer Science (AI & ML)	(Pursuing)
St. Mary's Group of Institutions, Hyderabad	CGPA: 7.8
Class 12th -TSBIE	2020-2022
Govt. Junior College, Pochampalli	Percentage:69%
Class 10th -SSC	2020
ZPHS High School, Pochampalli	GPA:10/10

INTERNSHIP

CSRBOX -IBM Skills Build Internship (Mastering Data with Machine Learning) Oct 2024 – Nov 2024
. Analyzed large datasets to identify trends, correlations using python.
. Assisted in developing predictive models for project outcomes using machine learning techniques.

PROJECT

Unlocking Silent Signals: Decoding Body Language with Mediapipe: Developed a body language analysis tool using the Mediapipe framework to decode nonverbal cues, including gestures, facial expressions, and body posture. Leveraged Mediapipe's pose estimation and machine learning capabilities to accurately interpret and analyze human movements and expressions for enhanced interaction insights.
Technologies Used: Mediapipe, machine learning, Python, Opencv

CERTIFICATIONS

- Data with Machine Learning by IBM.
- National Level Hackathon.
- Certificate of Merit by Naukri Campus Young Turks.
- Python for Data Science by IBM Developer Skills Network.
